SHEET NO:
01

A refined showroom perspective combining elegant display arches, premium seating and warm layered lighting.

A long-view interior composition highlighting the ceiling rhythm, chandeliers and coordinated jewellery displays.

The reception and consultation zone balances a luxurious brand presence with clear sightlines across the showroom.

A close presentation of the signature arched jewellery displays, framed by soft drapery and illuminated gold detailing.

An intimate display view focused on the statement arches, rich navy presentation forms and chandelier detailing.

The entrance-side perspective integrates the mandir feature, customer seating and a bright city-facing storefront experience.
